**Re: *Matson Terminals, Inc. and Hawaii Teamsters & Allied Workers Union,
Local 996; Case No. 20-CA-188087***

Dear Ms. Rothschild:

My office represents Matson Terminals, Inc. in the above-referenced case.

Matson is requesting an extension on the deadline to file Matson's Exceptions to the Administrative Law Judge's October 16, 2018 Decision. The current deadline is Tuesday, November 13, 2018, and Matson is requesting an extension until Friday, November 30, 2018. I have communicated with Officer-in-Charge of the Honolulu office Dale Yashiki who has kindly indicated that the Region is agreeable to Matson's request for this extension.

The request is due primarily to a mediation scheduled for November 9, 2018, in which the parties will attempt to resolve issues including those in the above-captioned matter. It is also possible that significant progress will be made during the November 9 mediation but some additional time thereafter will be needed to resolve all the issues and to have a final agreement. This request also takes into account my full workload and the Thanksgiving holidays.

Thank you for your consideration and courtesy.

Very truly yours,

Christopher S. Yeh
